To my fellow-citizens of the 6th Congressional District :- Since I have received a number of letters soliciting me to permit my name to be presented as a candidate for a seat in the next Congress to meet in Washington City, under the call of Abraham Lincoln, President of the black republican party, allow me to say, and that the troops shall pass through Annapolis through the medium of this card, to my friends who have kindly mentioned my name in connection with a seat in Congress, that as much as I would be pleased to serve my country, especially in so honorable a position and proposes mediation through Lord Lyons. as that of a representative in Congress, I must say that under no circumstances could I be induced to accept the position since the proclamation of Abe Lincoln to subjugate the South-my native land. REVIEW OF THE WILMINGTON MARKET. VOE THE WESS ENDING APRIL 24TH, 1861.

During the week just ended the market for all descriptions of country produce has been neglected, the unsettled condition of the country having caused a withdrawal of buyers from the market. Prices of Naval Stores have materially declined, and for three or four days past it has been impossible to sell even at the reduced figures. From present appearances this state of things must exist for some time, and it would be the better policy for holders in the country to keep Naval Stores, Cotton, &c., back from market, as such articles will have to be stored at their expense. Those who have Provisions on hand, and will send the same to market, can readily realise good prices for them. We omit our "Prices Current" table this week, as it is impossible to give correct quotations. For several days past nothing of consequence has been selling, and our report of

article has been almost neglected, in consequence of the ment in another column. unsettled state of the country, and up to the close of Saturday prices had declined 40 cents on yellow dip, the sales on that day being at \$1 40 for yellow dip, and \$1 12 for virgin, per 280 lbs. No sales have taken place since; buyers have wholly withdrawn from the market, and the highest In this place, April 18, FRANCIS J., infant son of James offer that can now be obtained is \$1 25 for yellow dip, and it is not wanted even at that price. Hard will not sell .-We quote sales as follows:

Any quotation we might offer would be merely TAR .- Has declined 15 cents and rules inactive, no sales having taken place since Friday. Sales in the early part of the week of 1050 bbls. at \$1 25 per bbl.

BREF CATTLE .- Are wanted, and would readily command ign prices. None received or sold. COTTON.—This article has also partaken of the general duliness. There were sales on Wednesday and Thursday of only 135 bales at 124 cents for middling. No sales have been reported since. DEN-Three cargoes, comprising 9,100 bushels, have been received for the week, of which 3,000 bushels sold at

62½ cen's per bushel, and the balance is going into store.

There is a fair supply on market, s'ill we notice a mode-

rate enquiry, and prime quality would sell readily. We quote at 624 a 65 cents per bushel. MOLASSES-Cuba is in fair request, and there is only a moderate supply on market. A cargo of 351 hhds., 18 tcs. and 46 bbls. was received on Monday, and is going into store. We quote at 30 cents in tierces, and 25 a 26 cents in hhds, as in quantity. FREIGHTS-The market is unsettled, and we cannot obtain a correct quotation. Eeveral vessels now in port have been taken up at 524 a 60 cents per bbl. on Turpentine to

New York, but these rates are above the market. Figures

in table are merely nominal.

NEWBERN, April 23.—Turpentine—Very little has been doing during the week; what was sold, however, went at the full figures as last quoted, but yesterday the market was the full figures as last quoted, but yesterday the full figures as last quoted, but yesterday the full figures as last quoted, but yesterday the full figures as last quoted as the full figure NEWBERN, April 23 .- Turpentine-Very little has been very much depressed, and bolders could only get \$1 offered for Yellow Dip and 75c. for Hard. 1500 bbls. were on the market, and sold at these figures. No other articles of naval stores were offered yesterday. and we are at a loss to say what they can be sold for. It is certain, however, that there is a heavy falling off. Breadstuffs are in active demand and would meet ready ale at fair prices.

BATH, Maine, April 18th, 1859. Frof. O. J. Wood & Co.: Gents :- The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere. has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for forty years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England asking me if my hair still continued to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has, no doubt been basely imitated and been used, not only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer, for which I am very grateful. I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask as a favor, that you send me a test by which I can discover fraud in the Restorative sold by many, i fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which curses the inventor of the good. I deem it my duty, as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me my unshaken

A. C. RAYMOND. AARON'S RUN, Ky., Nov. 30, 1858. Prof. O. J. Woon: Dear Sir :- I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using ONE bottle of your Hair Restorative. After using every kind of Restorative extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Restorative. Now, candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will therefore take occasion to recommend this invaluable remedy to ALL who may feel the necessity

opinion of its valuable results. I remain, dear sir, yours,

for it. Respectfelly yours,
Rev. S. ALLEN BROCK. P. S .- This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited ;-but if you think it worthy a place among the rest, insert if you wish, if not destroy and say nothing. Yours, Ac., Rev. S. A. B.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails York, and 114 Market St., St. Louis, Mo.
